My Letter To My Sponsor

Each candidate for Confirmation writes a letter to their Sponsor.

This letter explains the significance of the sacrament of Confirmation, as understood by the candidate, based on their years of preparation. As well, the candidate for Confirmation appeals to their Sponsor that their influence will nurture a lifelong devotion to God.

This letter should be sealed in an envelope with the Sponsor's name clearly written on the front of the envelope, and the candidate's name clearly written on the back.

This letter should be delivered to the Church prior to the celebration, as advised by the Catechetical Co-Ordinator.

This letter will be presented to the Sponsor on the day of the Confirmation celebration.
